The standard enclosure is NEMA 3

- › Enclosure made in Florida specifically for Stiebel Eltron
- › Front cover and right-hand side are one piece, hinged, and swing open to the left to allow servicing and element replacement
- › NEMA 3 is Alpine white color
- › NEMA 3 enclosures are constructed for either indoor or outdoor use to provide a degree of protection to personnel against incidental contact with the enclosed equipment; to provide a degree of protection against falling dirt, rain, sleet, snow, and windblown dust; and will be undamaged by the external formation of ice on the enclosure.

NEMA 4 & NEMA 4X are optional enclosures

- › NEMA 4 is Alpine white color
- › NEMA 4X is stainless steel
- › NEMA 4 and NEMA 4X are watertight and come with watertight fittings, lights, switches, etc., except for drain at bottom
